

## **COUSINS BED & BREAKFAST RATE POLICY**

### **“ Policy Change”**

**If you make reservations with us and do not cancel within 3 days of your reservation date, you will be charged one night's rate. We do not require a two night minimum, but please show up for the reservations you make.**

**This policy is necessary because we are small. We offer one on one service, great meals, and real Southern Hospitality. We do a good repeat business. It is not fair for us to hold a room for days, weeks or longer and be cancelled the day before you are suppose to arrive, or not show up at all without calling. This is our living and life.**

**We work hard to meet your special needs and meal requirements.**

**We love working with you, please return the favor and do the same for us.**

**Thank you,  
Elmo & Martha, the Inn Keepers**
